

Box of Love Ornament

1. Decorate your box layout and your love words.
2. Cut out the box and the loves.
 - a. Cut the box out around the outside of the template.
 - b. The love words: you can either cut out as a rectangle or wavy wiggles around the word.
3. Fold well and crease the folds on all the gray lines.
4. Place glue on the glue spots and hold in place until they stick.
 - a. Note: If glued properly into a box shape, our box will have a lid that can tuck in, but reopen.
5. Have an adult help you make a small snip with scissors on the two little black lines at the edge of the lid and back of the box.
6. Place a ribbon through the newly snipped holes and tie into a knot.
 - a. This will be your ornament hanger.

7. Once your box is completed, you can place one or more love words in the box.
8. Give the box of love to someone special to share your love with them or hang it on your tree for all to see.
