

# THE HERALDRY OF THE ELF CLANS OF THE NORTH POLE

Starting as twelve individual Elf Clans, it was decided that they should join as one and created a heraldry shield that combined the best of each of their clans.

## The official North Pole Elf heraldry is as follows:

### **Shape:**

Heater - Medieval in nature and usually made of wood and covered with leather or metal

### **Colors:**

White (Argent) - Sincerity; Peace

Gold (Or) - Generosity; Elevation of the Mind

Green (Vert) - Hope; Joy; Loyalty in Love

### **Shield Ordinary:**

Chevron - Faithful Service

### **Animal:**

Stag - Lover of Harmony

### **Bottom Banner:**

Emblazoned by the motto, "Love of Harmony" indicating their willingness to live and work together as one in harmony with each other and the land.
